

# Virtual Workshop: Applying Reports

## These Three Sessions Will Help You Get the Most Out of MAP Growth

MAP® Growth™ gives you rich, valuable data. NWEA® professional learning helps you apply that data to support student learning. This virtual workshop delivers powerful insights to help teachers, instructional specialists, and administrators leverage the full potential of MAP Growth reports.

If you don't have the time or resources for onsite or regional training, our virtual workshops make it easy to fit professional learning into your schedule. You'll get support and guidance in real time from a professional learning consultant while engaging with peers in active learning.

### WHAT YOU'LL LEARN

#### Connecting MAP Growth Scores to Skills

- + Understand how MAP Growth RIT scores measure what each student knows and is ready to learn next.
- + Identify ways to use MAP Growth data to flexibly group students.
