

Maximize the capabilities of MAP Reading Fluency with Coach

MAP® Reading Fluency™ with Coach supports teachers by delivering quality assessments, insightful reports, and a dedicated tutoring solution to improve reading growth for K-5 students. NWEA® provides a continuum of professional learning to support a successful MAP Reading Fluency with Coach implementation and to help teachers use the data to strengthen teaching and learning. Through live virtual, onsite, and on-demand professional learning opportunities, NWEA partners with districts and schools to engage teachers and leaders in high-quality instruction that improves student outcomes.

Explore the power of MAP Reading Fluency with Coach through professional learning workshops

INTRODUCTION TO MAP READING FLUENCY WITH COACH (One hour)

This virtual workshop is specifically designed for current NWEA partners who have been using MAP Reading Fluency. Attendees will learn what makes MAP Reading Fluency with Coach a unique and integrated solution for answering the key question of “What’s next?” after taking MAP Reading Fluency assessments. Participants will discover key features and best practices for leveraging MAP Reading Fluency with Coach to:

- Provide students with targeted, one-on-one reading practice
- Track student progress and measure growth with reports
- Make instructional decisions and support student learning using data provided by MAP Reading Fluency with Coach

MAP READING FLUENCY: ESSENTIAL REPORTS WITH COACH FOR TEACHERS (Two hours)

Created for both current and new users of MAP Reading Fluency, this virtual workshop immerses partners in learning more about MAP Reading Fluency with Coach. Participants will discover how to navigate key reports and see how this unique program uses rich data to help teachers take that crucial next step. Participants will learn key features and best practices for leveraging MAP Reading Fluency with Coach to:

- Interpret and apply MAP Reading Fluency data
- Provide students with targeted, one-on-one reading practice

- Track student progress and measure growth with reports
- Make instructional decisions and support student learning using data provided by MAP Reading Fluency with Coach

MAP READING FLUENCY: ESSENTIAL REPORTS WITH COACH FOR TEACHERS (Three hours)

Take a deep dive to realize the full potential of MAP Reading Fluency with Coach! This workshop—for both new and current users of MAP Reading Fluency—can be held virtually or on site. In addition to learning the essentials and how to leverage reports, attendees will see how to draw insights from data and develop instructional plans focused on growth opportunities for learners. Participants will learn key features and best practices for using MAP Reading Fluency with Coach to:

- Interpret and apply MAP Reading Fluency data
- Explore student-centered decisions that are informed by MAP Reading Fluency data
- Provide students with targeted, one-on-one reading practice
- Track progress and measure growth with reports
- Make instructional decisions and support student learning using data provided by MAP Reading Fluency with Coach

Deepen understanding using MAP Reading Fluency Foundations Online

MAP READING FLUENCY FOUNDATIONS ONLINE LEARNING

Staff across schools or districts can use these just-in-time, self-paced tools to build the knowledge for effectively delivering MAP Reading Fluency assessments, analyzing reports, and taking action to help students learn. Educators will find role-based lessons, pragmatic advice from other educators, and actionable templates within self-paced, digestible learning segments for not only getting started but also for continuing the journey throughout the school year.
