

IMPROVING VOCABULARY AND MORPHOLOGICAL KNOWLEDGE

Dive into the world of language while learning best practices for teaching rich vocabulary, both implicitly and explicitly throughout the day. Educators will apply strategies for choosing high-impact vocabulary words and practice clear and efficient routines for teaching new vocabulary in context and throughout the day. Finally, participants will understand how morphological instruction can be integrated throughout the day to improve students' overall language and reading comprehension.

What you'll learn

Grades K-8: Improving Vocabulary and Morphological Knowledge – PART 1 (3-hour)

- How can I use assessment to inform vocabulary instruction?
- How do words help us understand the world?
- How can I teach vocabulary explicitly?

Grades K-8: Improving Vocabulary and Morphological Knowledge – PART 2 (3-hour)

- How can we infuse the school day with vocabulary learning?
- How can I teach beginning morphology?
- How can I teach advanced morphology?

Who should attend

- Primary audience: Teachers, School leaders, Teacher leaders, Instructional coaches
- Secondary audience: District leaders

Delivery options

- 3-Hour Onsite (Up to 35 participants) or 3-Hour Virtual (Up to 30 participants)
- Certificate of completion available

Science of reading, professional learning progression
