# YOUR ROADMAP TO... Student growth

Guide student growth all year long with the MAP<sup>®</sup> Suite.

#### **KEY RESOURCES**

NORMATIVE DATA Compare student growth and achievement to a nationally representative sample.

# LINKING STUDIES

Reliably project performance on upcoming state assessments—as well as the ACT<sup>®</sup> and SAT<sup>®</sup>.

#### COLLEGE EXPLORER

See if students are on track to enter their college of choice.

#### **NEXT STEPS**

## FALL

- **ANALYZE** Student Profile Report **Class Report** 
  - **ACT** Work with each student to set individual goals. Use NWEA<sup>®</sup> growth norms and proficiency

# WINTER

- **ANALYZE** Achievement Status and Growth Report
  - **ACT** Update goals for students who have already met their fall goals. Evaluate strategies for struggling students.

## SPRING

**ANALYZE** Achievement Status and Growth Report

Student Growth Summary Report

**ACT** Review growth with students and celebrate

- projections for context.
- **SHARE** Share each student's goals with their families, along with growth areas to focus on at home.
- **ADVISE** Schedule a *Student Goal* Setting and Growth professional learning workshop and help teachers set smart goals.
- **SHARE** Discuss student progress with families. Consider mid-year adjustments in PLCs.
- ADVISE Consider coaching opportunities or supplementary instructional support for teachers with students falling short on their goals.

their successes. Reflect on what worked best and plan for next year.

- SHARE Review school and district growth reports with your school board to show what's working and analyze opportunities for improvement.
- **ADVISE** Enhance school improvement planning with a District and School *Goal-Setting* professional learning workshop.
