Today's featured speaker

Jodi Lemoine

Director of Accountability

West Feliciana Parish Schools, Louisiana

Session Goals

Create a logistical plan to administer and analyze data 3 times per year.

~~Understand the PLC approach using MAP Growth data.~~

~~+ Design Instructional Leadership Team protocols to create High Dosage Tutoring groups using MAP Growth data.~~

Data work can't simply be an invitation.
It must be a priority and evident in our actions, not
just our words.

The background is a solid green color. It features several abstract geometric elements: large, semi-transparent circles of varying shades of green; smaller, solid green circles; and a grid of small white dots arranged in a circular pattern. Scattered throughout the background are white plus signs (+) of different sizes. The text "Questions & answers" is centered in a white, sans-serif font.
